

### Nursery Uniform

Children in Belmont nursery are required to wear uniform, so that they are comfortably and appropriately dressed for their nursery activities.

- Navy tracksuit bottoms or navy leggings
- Navy socks
- Dark trainers
- A gold Belmont logo jersey t-shirt
- A Belmont logo fleece.

Belmont uniform is available through Etika uniform <https://www.etikauniforms.co.uk/> When you click on the home page, search for Belmont using either the school name or the postcode (W4 5UL) and click on our school logo.

#### **Logo items**

Gold PE t-shirt (with logo option)

Belmont fleece (with logo option)

We prefer the children to wear a navy jacket for school. This unisex, breathable, water and windproof jacket with microfleece for warmth is very good value at £21.99. Many of our older students wear it to school. It can be purchased both with and without the Belmont logo from Etika uniform (either is acceptable).

Your child will need a bag for school and there are two Belmont rucksacks available on Etika uniform. We do not insist for Nursery that these are used and you may use any other bag of your choice.

**Please remember once you have bought your uniform, to label it all with name tags so that lost items can be easily and efficiently returned to you.**

**This is absolutely essential.**
